

Kinder Castle Day Nursery Newsletter – March 2017

New Topics

Preschool – Traditional
stories & Rhymes

Tasky Twos & Toddlers
- Animals

We very excited to be implementing a new digital system for your child's learning journal with Capture Education. Your Child's details are being entered onto our database so that observations and progress can be measured electronically. As soon as this is up to date, you will be invited to log on and see your child's progress. This will eventually replace your child's progress folder.

Boogie Beats Music and movement sessions went down a treat for all the over 2 year olds this week!

Staff Training

Just to keep you updated on the staff training which we have been, and will be attending throughout the month of March:

How children learn and develop

Supporting children for whom English is an additional language

Promoting Positive Behaviour

Creativity Counts

Is it Autism?

Meeting the needs of 2 year olds

Tricky Conversations

Brilliant Boys

Outdoor Play

P.S. Please don't forget to close the nursery gates as you exit the nursery property.

We are excited to start using the brand **new ICT equipment** in preschool. This is an up-to-date pc, enabling the children to get more from their ICT sessions.

Thank you to all those who participated in the fun and costumes that we enjoyed for World Book Day! Also, pancake day was a hit! The children loved making and eating pancakes on Shrove Tuesday.

Tasky Twos have enjoyed two trips to the library last month, borrowing and returning books.

We are really excited to welcome Louise Reynolds back from her maternity this month! She will be working part time in the Taskytwos and Preschool rooms.
